Notes:

I felt like he wanted to dodge anything related to vaccine deaths.

He dismissed things saying that it'll be really tough in this election cycle because they don't have the majority in the Senate.

He didn't want to commit to any legislation or to try.

**Kept saying that vaccines protect people and are very important.
Kept saying that Operation Warp Speed was a success.**

Said he didn't know about VAERS. Didn't take the printouts I took for him.
