

Before-Appointment Quick Reference

<https://MedicalFreedomAct.org>

Who I am meeting with: _____

Senator, congressmen, staffer, director, etc.

When: _____

(show up at least 30 minutes early – do not be late!)

Where: _____

(make sure you look at parking locations ahead of time, take credit cards or cash for parking if needed. Know the building you're going to, the office room number, etc.)

Parts of the **Medical Act Framework** you want to advocate for:

- 1) _____
- 2) _____
- 3) _____
- 4) _____
- 5) _____

- Tell them you are a constituent.
- Tell them to look at the Framework on **MedicalFreedomAct.org**.
- Talk about your personal story.

Notes of things you want to remember to say:

Before-Appointment Quick Reference

<https://MedicalFreedomAct.org>

Who I am meeting with: Senator John McLean and his director (Mike Smith)

Senator, congressmen, staffer, director, etc.

When: Thursday, December 15th, at 3 PM

(show up at least 30 minutes early – do not be late!)

Where: 600 Government Circle, Suite 200, across from

Starbucks parking around the corner on 200 Congress Street - \$5.

(make sure you look at parking locations ahead of time, take credit cards or cash for parking if needed. Know the building you're going to, the office room number, etc.)

Parts of the **Medical Act Framework** you want to advocate for:

- 1) 1) Unwanted Medical Procedures – company fired me!
- 2) 5) Informed Consent – company doctor gave wrong info
- 3) 18) Criminal Penalties – my mom died from the vaccine and the attorney says we can't sue the vaccine maker
- 4) 22) Employee Protection – company fired me for not taking vaccine
- 5) 24) Healthcare Provider Education – doctor didn't know about VAERS

- Tell them you are a constituent.
- Tell them to look at the Framework on **MedicalFreedomAct.org**.
- Talk about your personal story.

Notes of things you want to remember to say:

- I'm a constituent.
- Mom died from the vaccine. She was forced to by nursing home.
- Grandmother got Guillaine Barre Syndrome from 1976 Swine Flu Vaccine.
- Company mandated vaccines – fired 200 people.
- Several people at work are dying – one was a train engineer that died on the job with passengers on-board.
